WORK HISTORY:

CEO | Vortex Apparel Limited 10/2018 – 06/2021
I started an LLC clothing company and ran it with my friend throughout high school. Our mission was to create stylish and comfortable clothing made solely from sustainable materials. I hand printed shirts, learned graphic design skills, fulfilled and shipped orders, and learned how to run a successful online store.

Busser for Dagabi Cucina – Boulder, CO 07/2022 – 08/2022
I was a busser for an upscale restaurant and learned timeliness and putting the needs of the customer first.

Community Service Volunteer – Hopi Reservation – AZ 03/2019
Spent one week doing service work on Hopi Reservation in Arizona. This included eighteen hours of helping to re-plaster their main plaza as well as plant corn in a local field just outside their main village.

General Contract Work – Logemann Brothers CO – Saukville, WI 07/23 – 08/23, 07/24 – 08/24
Spent two summers doing an array of projects for machine manufacturing company in the waste and recycling industry. Did an office remodel, floor foundation, sales calls, minimal IT work, and warehouse organization.

Italy Study Abroad
Summer study abroad in Italy focusing on material composition, history of architecture, and museum design adjacent to Andrea Palladio basilica.
